What is it about?

The musicians in the band would like to play their instruments to praise God - during the church service or in concerts. We find lots of joy in our music because music is a gift of God. Did we spark your interest to join? This is now possible!

The teaching on brass instruments such as trombones and trumpets or basses is being provided free of charge by the church. This instruments are available to learn. It is our goal to strengthen and maintain our brass essemble.

Who can apply?

Children around 10 years and adults who wish to be part of the brass essemble may join. No matter if beginners or former brass players - everyone is welcome. The teaching can be done in C- as well as in B-fingering. Thus, musicians who already have experience could be trained furthermore.

When does the teaching run?

The teaching is being done by the long-therm musicians Walter Mathis. The instruction will take on Wednesdays between 5 pm and 7:30 pm in the church parish hall and will be divided in groups depending on the number of participants and age.
